The visit to the Consultant was positive. I still have to build myself up in order to gain weight so that I will be prepared for the next step which is Stem Cells treatment. This will mean hospitalisation for a couple of weeks but also means that my treatment is moving forward in the right direction. Your prayers mean so much to me and I thank you for them.

♪♪ *On a lighter note*

Sally was running to church in order not to be late. As she ran along she said a prayer over and over, "Dear Lord, don't let me be late! Dear Lord don't let me be late!" As she was running and praying she fell over the curb and fell. She quickly got up and brushed herself down and carried on running and praying, "Dear Lord please don't let me be late...but please don't shove me either!"
