### Parish Priest's Corner

Another quiet week culminating with the PET Scan which I hope I will get the results from my consultant on Monday morning. The only disappointment is that my weight has gone down so I have to try even harder to put weight back on again - any suggestions!

♪♪ On a lighter note

A Passionist went to the barbers for a hair cut, when he asked how much the barber said that he never charges clergy. The next day the barber finds a basket of bread from the Passionists on his door step. The following day a Benedictine goes to the barbers to have his hair cut, again the barbers says no charge for clergy. When the barber arrives at work the next day he finds a bottle of wine from the Benedictines on his door step. The next day a Redemptorist goes to have his hair cut and again the barbers says no charge for clergy. The barber turns up for work the next day to find several Redemptorists waiting to have their hair cut!!!
